Hi...This is Gogul from PSGIMSR ..

The previous session evoked us about our future ...and regarding the Task 3 ...

My future : My GOAL is to build ME as a BRAND ..I need to shine in my doctor career and also helping out others ...The happiness in my patient face should tell more about me ...

And asper requirments...Need to build my dream home and lead a peaceful life with my parents and familyand need a valuable time to spend with my friends ...
